Michaelmas, September 2026

Dear fellow human, dear contributors!

With this writing I do want to inform about a publication, that is appearing these days on my websites [www.menschenwerden.de](http://www.menschenwerden.de) and [www.gruenerarzt.de](http://www.gruenerarzt.de).

It's title:

**« ECCE HOMO - Testimony and Certificate »**

On 360 pages it includes

- the warning call "TOXIC ALERT! Deadly vaccines!",
- a MEDICAL DOCTOR'S CERTIFICATE, customizable by everybody for herself/himself or her/his child, being valid for anyone, freeing every single human being from compulsion to be vaccinated,

- a "DECLARATION OF INDEPENDENCE of free spiritual life\* in medicine"
- and an in-depth, comprehensive explanatory foundation.

\* The independence of *spiritual life (freedom)* from *rights live (equality)* and *economic live (fraternity)* is fundamental prerequisite for a healthy society.

(see <https://www.anthroposophie.ch/en/economy-society/topics/articles/social-threefolding.html>)

The writing can be downloaded on the websites [www.menschenwerden.de](http://www.menschenwerden.de) and [www.gruenerarzt.de](http://www.gruenerarzt.de), as well as using the following weblinks:

I hope and pray, that this impulse can touch a place in the depth of Your heart, which remembers the all-encompassing, lucent life, we all originate from; and which has never ceased, through the power of it's SELF and in full consciousness, to seek, go and find the way back to the kingdom, the power and the glory!

To say it with four lines of the "Invitation" by Oriah Mountain Dreamer:

*It doesn't interest me, to get to know, where You live and how much money You have.*

*I want to know, if You will stand in the centre of the fire and not shrink back.*

*It doesn't interest me, where or what or with whom You have learned.*

*I want to know, what sustains You from the inside, when all else falls away.*

\*\*\*

Now everything depends on if there are enough people to realize the unique chance, that is given by this writing.

It is possible, that the medical doctor's certificate can save thousands, maybe even millions of lives, when people get to know about the existence of this document and then can use it to defend themselves against the poison syringe and death by vaccination!

Therefore my heartfelt, ardent plea: Do help this writing to spread into every niche of the personal surroundings and way far to the remotest corners of earth and into the hearts of all human beings. It shall, like the spirit of the sun itself, enlighten everything, chase away all darkness; like meteoric iron it shall dust the earth and turn all paralysis into joyful vigour!

Take heart. It's all about to be or not to be, it's all about the future of mankind. It's about all of us, about You, Your loved ones, about our children, about seeing us again "in a thousand years".

### **Ecce Homo! ... Behold, the Man!**

With hopeful, warm-hearted salutations!

Dr. Andreas J. Grüner

P.P.S.

It was beyond my capacity to provide an English version of my writing. I trust in my fellow humans all over the world, that they will find ways to do appropriate translations in any language needed.
